

I Will Hold Up Your Light

Jeff Batdorf

Voice

When I look a - round_ this room, I see if filled with those_ who care. I
feel your warmth and pre - sense, your love is ev' - ry - where. When I
look a - around_ this place, I have no need_ to fear, In - side_
I feel_ a calm - ness grow, I know I feel God near. But when I
go in - to the world, There's to much that's_ un - known, It's
hard to see your light_ out - side, so I tend to let you go How will I
hold up_ your light? How will I see you in_ the dark? How can I
shine it bright_ for all_ to see? How can I
